Intending guests should be warned that parking hereabouts is hard to find. However, if driving via the M20, leave it at Junction 5, following first the A20 towards Maidstone and then, about 2 miles on, Bower Mount Road on your right, which leads to Tonbridge Road. Maidstone West station, at bottom of Tonbridge Road, is at (12 mins uphill) walking distance from St Michael's. Everyone is most welcome to come and support Fr John; an RSVP to me will be helpful because of catering numbers.
